The students and staff of Arbon Elementary would like to invite you and your family to a day of fun celebrating the end of another wonderful school year. The day begins with the silent auction items being displayed and available for bidding. Swing by and place your bids **all day long!** Don't worry if you cannot make it to Arbon Elementary to place your bids. If you have something you would love to bid on, we will be taking phone bids throughout the day. Cash donations are greatly appreciated as well and can be sent into the school or dropped off at anytime. Silent auction results will be announced after the evening performance. ***Let The Bidding Begin!!***

We are very close to reaching the amount needed to replace the surface of the playground. Hopefully this fund raiser will put us over the top. Please, come enjoy a super cute program, some bidding wars and refreshments. It looks to be a very exciting day!
