

The Arbon Elementary School is now set up on the Box Tops for Education web sight!

We are raising money for our school to help with some much needed repairs. A great way you can help is with the Box Tops! You can log onto their web sight at [www.boxtopsforeducation.com](http://www.boxtopsforeducation.com) and set up your account today. When you are set up, you can track the progress of our school. Plus you are able to print coupons and get great deals! Another great part... you can earn points on their web sight for the school. Even playing games! There are several easy ways to earn points just on the web page and they are automatic & instant!

Ryan and Heather Weston are the coordinators for the school. They need to collect all box tops on October 1st to count them and turn them in. You can send them with the kids to school, drop them off at the school, drop them off at the Weston's, or let them know and they will pick them up! This date is not the end either! The next collection date will be Feb 1st so don't give up!

Notify all of your friends! Set up collection places at your work. Lets show our school how much we care about them! Below are just a tip of the iceberg of the many different items that have box tops. Anything produced by General Mills will have a clipping on it. Save it! For a complete list contact Ryan or Heather or just log onto the web sight.

Thank you so much for helping our wonderful school!

General Mills Cereal, Betty Crocker's Cake Mix, Ziploc bags, Totino's pizzas, Pillsbury rolls, Land O Lakes Butter, Scott toilet paper, Hefty paper plates, cookies, Chex Mix, Nature Valley Granola Bars, Hamburger Helper, and many, many, many more!
